The loan was accompanied by the

greatest splurge in advertising France ever saw. Paris and the provincial towns were solidly plastered with in-numerable posters, which, as one cyni-fore his illness. al critic remarked, represent in printng fees nearly all that the loan possibly could raise.

LEIPSIC BATTLE

Continued from First Page.

Nuremberg has ended its five days' par alysis, which was marked by civil war fare, rioting and an attempt by Bol shevism to rush the public places and control the town. Telephone messages from Nuremberg conveyed this informa-tion as well as details of the rising. The street car service was resum to-day, the workers returning to the fac-tories and the stores rectening. The casualties during the five "red days" ave not been tabulated, but they are

The outbreak began last Monda; morning, when a general sympathetic strike was proclaimed in protestation against Kapp. Thousands joined the strike and on Tuesday selegations made he rounds and ordered the stores closed. Some remained open, however, and employees attempting to carry on business were severely handled.

Mayor MacCurtain, was sleeping on Wednesday a group of sallors obtains home on the night of armed with rifles and fixed bayonets omobiles, and. brough the city, tried to rush the Post where it was known 13,000,000 marks of Government money was stored. Another group, meanwhile, tried to selze the station near by Reichswehr troops came up hastly and beat off the troops came up hastily and beat off the ments that they succeeded in evading attacks, killing twenty and wounding the vigilance of the Allied Armament

EXPORTS TO NORWAY STOP.

mericans Try to Reparchase Embargoed Clothing.

CHRISTIANIA, Norway, March 21 .-American representatives are trying to epurchase dry goods and wearing aprel bought from the United States from 1918 to 1920 for reexport to the United States, as the prices of these commodities is 50 per cent, lower than those now prevailing in the American markets, Immediately after the war Norway was flooded with American dry ods and wearing apparel, and Norregian firms placed large orders in merica for further delivery. The Norwegian embargo now in force

hibits such export as demanded by he American representatives. Much of the American goods bought by wegian firms but not yet shipped from the United States, has been resold to Americans there, as the high dollar American export market for Norway is practically closed, as the Norwegians are now unable to buy American goods because of the unfavorable rate of ex-

Mexicans Free American Paw Paw, Mich., March 21.-Peter W. Summers, an American kidnapped by Mexicans near Santa Cruz two weeks ago and held for ransom, has been released, according to a letter received by his sister, Mrs. Jane Humphreys.
